Everything's bigger in Big Sky country, including the hearts of the Montana Men

After years on the rodeo circuit, Gabe Bowden wants nothing more than land of his own and a woman who will claim his heart for more than one night. When he has the chance to buy the enormous Wolf Ranch spread, he snaps up the incredible deal. Everything is set, until Gabe rescues a woman on the deserted, snowy road leading to the property, and the half-frozen beauty changes everything.

Ella Wolf rushes to her family's abandoned Montana ranch after her twin sister is murdered. She knows she's next...unless she can uncover a secret hidden somewhere at Wolf Ranch. The last thing Ella expects is to be rescued by a rugged rancher with his own agenda. A man who almost makes her forget how dangerous love can be...

As an unlikely partnership sparks into something so much more, and a killer closes in, can Ella and Gabe learn to trust one another before it's too late?
