Mystery: The Coming Back: (Mystery, Suspense, Thriller, Suspense Thriller Mystery) James Kipling
Ten years ago, a college student with autism named Stanley Douglass disappeared without a trace while taking a road trip alone. Several days ago, he returned to his family home in Savannah, Georgia. The Savannah Police Department hires a family counselor/therapist, Lydia Chan, to reintegrate Stanley Douglass into normal society and find out what happened to him during all those years.

After some time Lydia Chan informs the Police that she thinks the Douglass family is hiding something. She can't put her finger on it, but she thinks something isn't right about this entire case. She requests Detective David Wilson to help her expose them. At first, Detective Wilson feels threatened by Lydia Chen but soon finds her outspoken nature to be quite charming. He agrees to indulge her further and re-opens the 10-year old case of Stanley's disappearance. He was the lead detective in the case of Stanley Douglass and is still haunted by the fact that the case is unsolved. He is willing to help Lydia at every turn to solve the mystery of Stanley Douglass and hopefully redeem himself as an investigator.
