The Book of Revelation (The New International Greek Testament Commentary)

G. K. Beale

The Book of Revelation (The New International Greek Testament Commentary) G. K. Beale

This monumental commentary on the book of Revelation, originally published in 1999, has been highly acclaimed by scholars, pastors, students, and others seriously interested in interpreting the Apocalypse for the benefit of the church. Too often Revelation is viewed as a book only about the future. As G. K. Beale shows, however, Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages -- including our own.

Engaging important questions concerning the interpretation of Revelation in scholarship today, as well as interacting with the various viewpoints scholars hold on these issues, Beale's work makes a major contribution in the much-debated area of how the Old Testament is used in the Apocalypse. Approaching Revelation in terms of its own historical background and literary character, Beale argues convincingly that John's use of Old Testament allusions -- and the way the Jewish exegetical tradition interpreted these same allusions -- provides the key for unlocking the meaning of Revelation's many obscure metaphors. In the course of Beale's careful verse-by-verse exegesis, which also untangles the logical flow of John's thought as it develops from chapter to chapter, it becomes clear that Revelation's challenging pictures are best understood not by apparent technological and contemporary parallels in the twentieth century but by Old Testament and Jewish parallels from the distant past.

So there is no in reading a guide especially this one. You can find actually looking for. It should be here for a person. So , don't miss that! Just read this e-book sort for your better life and also knowledge.

Donna Hubbard:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says,

many ways to reach Chinese's country. So , this The Book of Revelation (The New International Greek Testament Commentary) can make you feel more interested to read.
