The Desires of Your Heart is about pioneers and Indians living in the year 1785. The stories take place in the states of Ohio, Kentucky and Missouri. All of the main characters struggle with how to live Christian lives in a world plagued with war, greed, lose or separation from loved ones. Through their faith and miraculous happenings, many receive the desires of their hearts. Rodger and Hammerstein's musical, Cinderella, has words in the first song that go like this, "Impossible things are happening everyday." The Christian Indians and pioneers in this book serve a God who asks them, "Is anything impossible for Me?"
