Theodore Roosevelt

The Rough Riders (Theodore Roosevelt Collection) Theodore Roosevelt

Dodo Collections brings you another classic from Theodore Roosevelt, 'The Rough Riders'.

In 1898, as the Spanish-American War was escalating, Theodore Roosevelt assembled an improbable regiment of Ivy Leaguers, cowboys, Native Americans, African-Americans, and Western Territory land speculators. This group of men, which became known as the Rough Riders, trained for four weeks in the Texas desert and then set sail for Cuba. Over the course of the summer, Roosevelt's Rough Riders fought valiantly, and sometimes recklessly, in the Cuban foothills, incurring casualties at a far greater rate than the Spanish.

Roosevelt kept a detailed diary from the time he left Washington until his triumphant return from Cuba later that year. The Rough Riders was published to instant acclaim in 1899. Robust in its style and mesmerizing in its account of battle, it is exhilarating, illuminating, and utterly essential reading for every armchair historian and at-home general.

Theodore Roosevelt, Jr., also known as T.R., and to the public (but never to friends and intimates) as Teddy, was the twenty-sixth President of the United States, and a leader of the Republican Party and of the Progressive Movement. He became the youngest President in United States history at the age of 42. He served in many roles including Governor of New York, historian, naturalist, explorer, author, and soldier. Roosevelt is most famous for his personality: his energy, his vast range of interests and achievements, his model of masculinity, and his "cowboy" persona.
