The Sorceress from Beverly Hills (The Greatest Love Stories) Natalie Ansard

Olivia's life finally seemed to be taking the right course: the nightmare her marriage had gone through was turning into the most beautiful dream, her teenage son didn't cause her much trouble and she found extra pleasure in her part-time career. Indeed, everything seemed all right, but only on the outside – and she realized that when it was already too late.

Who could have known that an innocent outing with Jason, her lawful husband, would result in such catastrophic consequences? She never expected her life to turn upside-down over night, that very night. Who could have known that one broken leg, two whimsical people and three chance meetings would result in destroying four lives? Why would a handsome fashion designer fly all the way to Los Angeles just to meet her? There were a lot of questions arising from one terrible situation.

If everything does happen for a reason, the 'reason' that wrecked Olivia's life and marriage would be called – the little sorceress.
