Thomas Edison: Life of an Electrifying Man is a biography of one of the most important and prolific inventors in history. Edison's major inventions include the light bulb and the phonograph (better known today as the record player). Nicknamed 'The Wizard of Menlo Park' by a newspaper reporter, Edison was one of the first businessmen to use mass production to his inventions and was credited with creating the original industrial research lab. Thomas Edison: Life of an Electrifying Man is highly recommended for those who are interested in learning about the life and inventions of inventor and businessman Thomas Edison.
