## **Breakfast with Buddha** Roland Merullo

When his sister tricks him into taking her guru on a trip to their childhood home, Otto Ringling, a confirmed skeptic, is not amused. Six days on the road with an enigmatic holy man who answers every question with a riddle is not what he'd planned. But in an effort to westernize his passenger--and amuse himself--he decides to show the monk some "American fun" along the way. From a chocolate factory in Hershey to a bowling alley in South Bend, from a Cubs game at Wrigley field to his family farm near Bismarck, Otto is given the remarkable opportunity to see his world--and more important, his life--through someone else's eyes. Gradually, skepticism yields to amazement as he realizes that his companion might just be the real thing.

In Roland Merullo's masterful hands, Otto tells his story with all the wonder, bemusement, and wry humor of a man who unwittingly finds what he's missing in the most unexpected place.

A sequel, entitled *Lunch with Buddha*, is now available. In a starred review, Kirkus magazine called this novel which continues the journey of Otto and Rinpoche, "a beautifully written and compelling story about a man's search for meaning that earnestly and accessibly tackles some well-trodden but universal questions" and a "quiet meditation on life, death, darkness and spirituality, sprinkled with humor, tenderness and stunning landscapes."

#### Jesus Rhode:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Breakfast with Buddha can make you really feel more interested to read.
