Encyclopedia of Sports in America: A History from Foot Races to Extreme Sports (2 Volume Set)

Sports and leisure activities serve as a mirror, allowing us to examine the attitudes and values of everyday people. This new reference explores the development and influence of sports in American culture, as well as how sports icons, commercial enterprises, organizations, sporting events, and even fan culture have changed from decade to decade and from era to era, from the foot races of colonial times to the extreme sports of today.

Each chapter focuses on key aspects of sports in American culture, including such topics as ethnicity, gender, and economics. Enhanced with numerous sidebars on the movers and shakers, key sporting trends, as well as the controversies that threatened to tear the sports world apart, this insightful reference is ideal for high school and college students who are interested in tracing the evolution of sports and American culture throughout the nation's history. Features include a timeline of important events, numerous photographs, and a bibliography of print and electronic sources for further
