I wrote this book as my gift to all the students of worship, that is, worship of God, the Father of our Lord Jesus Christ. The True and Living God. I wrote it also as part of my continuous fascination and hunger for more of God and a desire to worship Him with all my heart. It was an opportunity to crystallize my thoughts for those that were always asking me questions on worship; for the brother and sister in Christ who are totally confused as to what worship really is, for the Christian musicians who have quizzed me on numerous occasions about worship and for the worship leader who basically has been thrown in at the deep end and told to “lead the people in worship.” But my greatest reason of all, is to, in my small way guide us back to what worship really is, that is, WHO and WHAT it is really all about. I definitely don’t claim to have all the answers, I am just drawing on what God has taught me, what I have observed and what is already in the scriptures.
