Seventh-grader Steve Brixton is an avid reader of the Bailey Brothers series, and he's about to get a chance to put the detective tactics he's read so much about into practice. He's out to solve a mystery being investigated by America's most secret crime solving agency: the United States Department of Library Sciences. It will take all of Steve's skills to navigate this story of intrigue and crime as he tracks down the missing quilt (yes, quilt) containing all of America's secrets.
