## **THE MIDWIFE by Jennifer Worth: Midwife:Call the Midwife: A Memoir of Birth, Joy, and Hard Times** Jennifer Worth

An unforgettable story of the joy of motherhood, the bravery of a community, and the hope of one extraordinary woman At the age of twenty-two, Jennifer Worth leaves her comfortable home to move into a convent and become a midwife in post war London's East End slums. The colorful characters she meets while delivering babies all over London-from the plucky, warm-hearted nuns with whom she lives to the woman with twenty-four children who can't speak English to the prostitutes and dockers of the city's seedier side-illuminate a fascinating time in history. Beautifully written and utterly moving, The Midwife will touch the hearts of anyone who is, and everyone who has, a mother.
