Voyages, the Age of Sail: Documents in American Maritime History, Volume I, 1492-1865 (New Perspectives on Maritime History and Nautical Archaeology)

Intended as a text for college and advanced high school students, Voyages covers the entirety of the American maritime experience, from the discovery of the continent to the present. Published in cooperation with the National Maritime Historical Society, the selections chosen for this anthology of primary texts and images place equal emphasis on the ages of sail and steam, on the Atlantic and Pacific, on the Gulf Coasts and the Great Lakes, and on the high seas and inland rivers.
