Witch to Choose (Heart of a Witch Book 1) H.T. Night

A newbie witch.

A magical mentor.

Two charming men.

A new witch must not only choose between two rivals for her heart—but also between good magic and forbidden magic.

Sahara's ordinary life is turned upside down by the paranormal world when she finds out she's a witch. Paris, a long cool witch in a black dress, makes her an offer she can't refuse. Sahara's eager to learn the magical tricks of the trade.

As she comes into her powers, Sahara discovers that white magic is practical magic, but not as addictive or as powerful as black magic. Each type of magic comes with its own perks—and perils. But not everyone is pleased with Sahara's growing spell skills. A dangerous adversary stirs the cauldron with her own brew of strange magic.

Single for far too long, Sahara's new powers are attracting all that she desires. It's raining men...two of them, in fact. Thrilled with her wildest dreams coming true, Sahara's got the two men bewitched, bothered and bewildered.

But these two men are not just vying for the pleasure of her company—each of them wants to win her heart! What's a witch to do? She's beguiled them, but only one of them can become the man of her dreams.

As the competition heats up between a nerdy good guy and a handsome bad boy—which of Sahara's suitors will win her heart? And ultimately, which type of magic will she choose? Good or evil?

WITCH TO CHOOSE is a full-length paranormal romance novel, and the first book in Heart of a Witch, a spellbinding series about a new witch choosing a path to her powers.
