What is your relationship dream, and what options are out there to choose from? We're familiar with monogamy, but what additional models of loving and living are offered by polyamory, and what do they look like in action? How is polyamory different from polygamy, swinging, or "cheating"? What new forms of etiquette are needed in order to nurture polys' varied forms of family? Is it really possible to have a relationship in which love does not equal possessiveness?
