Highland Barbarian (Murray Family) Hannah Howell

Sir Artan Murray was right when he decided that the dying old man who bid him collect his niece didn't know her at all. The furious woman facing him is neither "sweet" nor "biddable." She demands the brawny Highlander return her to the wedding party from which he took her. But Artan has no intention of allowing so spirited and bewitching a creature to endure a loveless marriage to a ruthless lord for her clan's sake. He aims to woo the lass and to show her that true love also yields unforgettable pleasure. Cecily Donaldson knows a bond forged by danger and desperation cannot endure. But Artan's touch leaves her breathless, and she knows this to be her one chance to experience true passion before an arranged marriage seals her fate. Yet once begun, passion cannot be denied . . . nor can a love with the promise to change everything.
