Santo: A Vida e A Fe de Joao Paulo Ii (Em Portugues do Brasil) Saverio Gaeta, Slawomir Oder

Santo é um relato abrangente e revelador da vida e da espiritualidade do papa João Paulo II. A obra destaca sua intensa fé cristã, sua devoção à Igreja Católica, o diálogo com outras religiões e seu papel no fim do comunismo nos países da Cortina de Ferro. Um mês após a morte do pontífice, em maio de 2005, o atual papa Bento XVI deu início ao processo de canonização de seu antecessor, confiando a missão de postulante ao monsenhor Slawomir Oder. Depois de atuar como uma espécie de "advogado de defesa", Oder conta aqui os êxitos de sua árdua tarefa de compilação de documentos e testemunhos sobre fatos até então ignorados da vida do polonês Karol Wojtyla. Por meio dessa investigação, foi possível revelar não apenas a imagem de um grande protagonista da história do século XX, mas, acima de tudo, a de um crente que viveu na própria carne a mensagem do evangelho. João de Deus - como era conhecido no Brasil - levou uma vida extraordinária, marcada por episódios fascinantes: frequentou o seminário como clandestino tentando escapar da perseguição nazista, resistiu duramente ao regime stalinista e empreendeu esforços para evitar o derramamento de sangue durante o colapso do comunismo na Polônia. Como um mosaico, esses acontecimentos compõem uma face quase desconhecida do beato Karol Wojtyla: um homem, um papa, um místico dos nossos tempos, que percorreu com determinação e fé o caminho da santidade.
