How Does This Book Help You?

This book contains proven steps and strategies on how to understand the principles of Objectivism that can help you redefine who you are and how you can achieve your highest potential. Ayn Rand believes that each of us has the fundamental right to declare ourselves and to pursue the things that can uplift our own self-interests. She believes that the world can only advance when every individual recognizes the power of their mind and their capability to create.

This short guide contains concepts and strategies that are fresh, interesting and effective.
