What role does history play in contemporary society? Has the frenetic pace of today's world led people to lose contact with the past? A high-profile team of researchers from across Canada sought to answer these questions by launching an ambitious investigation into how Canadians engage with history in their everyday lives. The results of their survey form the basis of this eye-opening book.

Canadians and Their Pasts reports on the findings of interviews with 3,419 Canadians from a variety of cultural and linguistic communities. Along with yielding rich qualitative data, the surveys generated revealing quantitative data that allows for comparisons based on gender, ethnicity, migration histories, region, age, income, and educational background. The book also brings Canada into international conversation with similar studies undertaken earlier in the United States, Australia, and Europe.

Canadians and Their Pasts confirms that, for most Canadians, the past is not dead. Rather, it reveals that our histories continue to shape the present in many powerful ways.

From reader reviews:

Barbara Marburger:

This Canadians and Their Past book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is definitely information inside this guide incredible fresh, you will get information which is getting deeper you actually read a lot of information you will get. This kind of Canadians and Their Past without we know teach the one who studying it become critical in thinking and analyzing. Don't always be worry Canadians and Their Past can bring once you are and not make your bag space or bookshelves' become full because you can have it within your lovely laptop even phone. This Canadians and Their Past having fine arrangement in word as well as layout, so you will not truly feel uninterested in reading.

Jose Murry:

People live in this new time of lifestyle always make an effort to and must have the spare time or they will get lot of stress from both daily life and work. So , if we ask do people have time, we will say absolutely of course. People is human not only a robot. Then we consult again, what kind of activity do you have when the spare time coming to a person of course your answer may unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, typically the book you have read will be Canadians and Their Past.

Joel Fallis:

As we know that book is significant thing to add our knowledge for everything. By a reserve we can know everything we really wish for. A book is a group of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This guide Canadians and Their Past was filled concerning science. Spend your time to add your knowledge about your technology competence. Some people has distinct feel when they reading a book. If you know how big selling point of a book, you can really feel enjoy to read a publication. In the modern era like now, many ways to get book that you wanted.

Michael Patterson:

That reserve can make you to feel relax. This specific book Canadians and Their Past was vibrant and of course has pictures around. As we know that book Canadians and Their Past has many kinds or genre. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and feel that you are the character on there. So , not at all of book tend to be make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading that.
