## **Fortune and Glory: A True Hollywood Comic Book Story** Brian Michael Bendis

Before Ultimate Spider-Man, before New Avengers, before Secret Invasion...Brian Bendis was an award-winning cartoonist, and this scathing Hollywood tell-all was one of his best! Entertainment Weekly gave him an "A", Hollywood insiders fell all over themselves to praise him, and fans everywhere gave him a thumbs-up for hilarity. Now, for its tenth anniversary, Bendis releases his sold-out mini-series Fortune and Glory in full-color for the first time - featuring colors by Matt Wilson (Phonogram). Marvel once again at the stupidity of Hollywood producers, and the enthralling mood swings and ego nosedives of a little indie comic-book creator caught up in the maelstrom of the motion picture industry. Featuring an introduction by Paul Dini, this deluxe collection features brand-new text pieces by Bendis, and pages and scenes left on the cutting-room floor.
