Each of the devotions presented in the pages of this book can be read in a matter of minutes, yet each gives to the reader truth and inspiration to last all day. Each is based, not only on a positive and beneficial quotation, but also on a passage of God's Word. As such, these devotionals are not only timely, but timeless. Indeed, they each have an eternal spiritual truth embedded in them. With moral training lacking in so many areas of our culture today, the stories and illustrations presented here provide a means for a woman to reinforce within herself what she knows to be good, right and just. Many of the illustrations are ones that a mother might share with her children, regardless of their ages. The Word of God gives us the principle for acquiring God's truth in our lives: "For precept must be upon precept, precept upon precept; line upon line; here a little and there a little" (Isaiah 28:10) God's Little Devotional Book for Moms--guaranteed to provide insight and inspiration to mothers everywhere!
