Introduction to Biblical Hermeneutics: The Search for Meaning

Walter C. Kaiser Jr., Moisés Silva

Introduction to Biblical Hermeneutics: The Search for Meaning Walter C. Kaiser Jr., Moisés Silva

Since its publication in 1994, *An Introduction to Biblical Hermeneutics* has become a standard text for a generation of students, pastors, and serious lay readers. This second edition has been substantially updated and expanded, allowing the authors to fine-tune and enrich their discussions on fundamental interpretive topics. In addition, four new chapters have been included that address more recent controversial issues: • The role of biblical theology in interpretation • How to deal with contemporary questions not directly addressed in the Bible • The New Testament's use of the Old Testament • The role of history in interpretation The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues, making for vibrant, thought-provoking dialogue. What they do agree on, however, is the authority of Scripture, the relevance of personal Bible study to life, and why these things matter.
