John Eliot

Tears of Repentance: Or, A further Narrative of the Progress of the Gospel Amongst the Indians in New England John Eliot

John Eliot (1604 – 21 May 1690) was a Puritan missionary to the American Indians whom some called “the apostle to the Indians.” An important part of Eliot's ministry focused on the conversion of Massachusetts Indians. Accordingly, Eliot translated the Bible into the Massachusetts language and published it in 1663 as *Mamusse Wunneetupanatamwe Up-Biblum God*. In 1666, he published "The Indian Grammar Begun", again concerning the Massachusetts language. As a missionary, Eliot strove to consolidate Native Americans in planned towns, thereby encouraging them to recreate a Christian society. At one point, there were 14 towns of so-called "Praying Indians".

This book originally published in 1650 has been reformatted for the Kindle and may contain an occasional defect from the original publication or from the reformatting.
