Fifty years after civilization as we know it is destroyed, the world is a different place: filled with immortal Strangers wearing powerful crystals, overgrown roads and cities, and the sad, desperate zombies that roam the earth.

But some things haven't changed...and when two old friends become involved in a life-threatening situation, they start to realize that maybe there is more to their friendship than just memories...

Luke Desmond broke off his engagement and left town when he realized he was about to marry the wrong sister. Marisa Bengotti couldn't forgive him for breaking her sister's heart...and for not knowing that he'd always held hers.

When Luke reappears, in danger and on the run from bounty hunters, Marisa finds herself caught in a web of danger and deceit, putting at risk not only a secret she has sworn to protect, but also her bruised heart.

With the bounty hunters closing in, Marisa and Luke join together in a dangerous game that could keep their world from being destroyed...but will their hearts survive?

This is a stand-alone, spoiler-free short novel set in the world of the Envy Chronicles.
