Alice Pleasance Liddell inspired what is considered today to be the greatest children's story of all time - Alice's Adventures In Wonderland. Alice's Adventures In Wonderland brought Alice Liddell and Lewis Carroll together forever. The story behind this story is a dramatic saga of a very creative, curious, and magnetic young girl who grew up to become a cultural icon and one of the most celebrated women of the last 100 years. It is a story of love, tragedy, duty, courage and loyalty to family and country – that will surprise and deeply move you.

In 2006, award-winning author C.M. Rubin and her daughter, Gabriella Rubin (who are related to the Liddell family), began an incredible journey to create the ultimate book about the original Alice in Wonderland's life. Their grand pictorial, biographic vision for the book involved collecting photographs spanning two centuries, reaching out to many celebrated Alice in Wonderland artists (including Vik Muniz, Annie Liebovitz, Mark Steele, Lizzy Rockwell, Helen Oxenbury, Frances Broomfield, Jeanne Argent, David Cooper, Bruce Fuller, Tatiana Ianovskaia, Jewel, and Tom Otterness), and connecting with museums, libraries and schools around the world. The Real Alice in Wonderland book is told using never before seen pictures along with prominent voices from Alice's lifetime and from the present day. C.M. Rubin and her daughter Gabriella explore the theme of inspiration. Behind every great person there is the person who inspires and believes in him or her. The person who motivates them to realize their dreams. This magnificent cross-atlantic epic will fascinate you -- it will make you think again: what does it mean to inspire? The Real Alice In Wonderland book is dedicated to all those who inspire the minds and souls of human beings.
